- ✓ **Comprehensive curriculum for three and four-year-olds.** 274 measurable objectives align skill by skill to the Georgia Early Learning Standards in 10 learning domains.
- ✓ **Complete assessment and intervention system.** Complementing the Georgia Pre-K Assessment Plan with embedded assessment options in the Teacher Guide for building portfolios by collecting work samples, completing checklists and matrices, using anecdotal notes, parent surveys, pre- and posttests, and creating progress reports.
- ✓ **Professional development provisions.** Full support for implementing the program through onsite or self-instruction. Customized onsite professional development with sessions that apply the latest research and best practices in teaching and learning.
- ✓ **Inclusion support.** Adaptations, lesson modifications, and varied instructional methods to accommodate children's diverse learning needs. Intensive support in the Adaptive Learning Kit, including adaptive materials such as Braille cards, Easy-Grip scissors, sign language alphabet cards, autism handbook, trade books, and outdoor play cards.
- ✓ **Support for learning English.** Teacher support to understand and address the unique challenges of the English learner including ELL-specific lesson modifications, Spanish translations, and assessment options for ELL-specific objectives.
